GOVERNMENT'S STATUS REPORT

The United States of America, by and through its attorney, Jessie K. Liu, the United States Attorney for the District of Columbia, submits this status report regarding the request to make public the lists of investigative matters related to the Special Counsel's investigation.

The government has reviewed the sealed lists of docket information filed on this docket by the Court, and expects to have no objection to the public release of the vast majority of that information. However, there are a few entries on the lists that the government may request be redacted from a public release to protect ongoing law enforcement interests. Accordingly, the government respectfully requests that the Court permit the government to propose a very limited set of redactions to the sealed lists of docket information on or before June 18, 2019.

Respectfully submitted,

JESSIE K. LIU
United States Attorney
